Age and skill level: ages 14 + who want to learn about abstract art with liquid acrylic
Student Level: Beginners or Intermediate Level.

Class description: This class will create abstract images using liquid acrylic paint. We will use a variety of techniques with different colored paints that are thinned with a medium – depositing paint on the canvas and manipulating it with different methods.

These processes create one of a kind art.

There isn't one right way to achieve this. All the techniques are the result of artists experimenting. We will endeavor to free our preconceived ideas and watch, listen and maybe talk to the paint as we help it become our inspiration.

Supply List: (for students to bring):

4 small tubes or bottles of your favorite acrylic paint colors (FolkArt, DecoArt, AppleBarrel, ArtistLoft, Anita's, Liquitex Basics, etc.)

2 or more canvases (8" x 10" or smaller)

Painting clothes and/or full apron

2 Boxes or aluminum pan containers to carry your wet artwork home (each container should be about 2" X 2" larger than your canvas)

Some supplies will be provided: absorbant pad, Floetrol, white paint, mixing cups, mixing sticks, paper towels, gloves, push pins, distilled water, skewer, straw.)

Note to Students: Please Arrive Early for your class so the instructor may start on time. Doors open ½ hour prior to class for you to set up. Be aware of time for lunch breaks. Always be respectful of other students and limit interruptions during class.

During class, Please turn your cell phone ringer off and take important calls outside of the classroom.

Thank You!
