At the January meeting, Tom Pacheco announced that he is stepping aside as the leader of the group. Everyone in the group agrees we have learned so much over the years, from Tom and his experience as a professional photographer. Tom plans to continue as a member, so we are NOT saying goodbye to our friend. From there, we will see what the future holds for our group. Share your thoughts and ideas to kmcameraclub@gmail.com. It would be great if someone would step up to act as leader or coordinator for the group.

Mar 10 - Tom Pacheco will do a presentation on shooting with a grey card. For that meeting, bring your camera to follow along. The assigned theme for March is "Doors and Windows." Bring those pics on a flash drive to share at the March meeting.

Apr 14 - Nelson Stegall will do a presentation on Landscape/Waterfall photography. The regular meeting would fall during Spring break when some members may be traveling, so that date may be changed. We'll post that date if it changes.
