## “Nature Reconsidered”

2022

Judged Art Competition *and* Exhibit

### Nature Reconsidered

This exhibition aims to explore the ever-changing relationship between humans and nature. Since time began, artists have documented, questioned, celebrated, and reimagined our relationship with the natural world. With man's increasing impact on nature, whether in harmony or in conflict, this exploration is more relevant than ever. Nature Reconsidered seeks to draw out the diverse ways that nature is represented in art.

We welcome work that references, investigates, challenges, and/or celebrates our relationship with the natural world.

Work may contain images of people, manmade structures, or objects as they relate to, or make a statement about our relationship to nature.
