Artists' Labels: Computer printed labels are helpful for us to keep up with inventory and sales. You can use Avery 6467 Removable Multipurpose Labels (stick on). They are small and easy to use for most items. These labels can be printed from an Excel file or directly typed into a Word file and sent to your printer.

Paintings are entered on the same entry form. We can hang wall artwork for you if needed.

Your business card attached to work is helpful for future contact from buyers.
