SASi GIFT SHOP SALES APPLICATION

Thank you for applying to Southern Arts Society Gift Shop and Gallery. Our goal is to provide quality fine arts and fine crafts in a professional setting for patrons to purchase. All works are juried into our Gift Shop by committee. Each medium to sell is considered individually. For example – paintings and pottery are considered two mediums. Please submit photos for each medium you want to apply to sell.

Please fill out the information below and return this form with appropriate materials. Your application will not be registered until all materials are turned in. After review, you will be contacted by the Gift Shop Manager and notified of acceptance or decline. At that time, you may make an appointment to bring artwork in the approved mediums to sell in our gift shop.

WARRANTY: The artist warrants that their artwork is original, that they created it and possess an unencumbered title (copyright) to the artwork. While artists may use AI (Artificial Intelligence) tools to assist with brainstorming and generating ideas, the final artwork output must be the artist’s work and not generated by AI. The artwork should reflect the artist’s individual creativity, style and effort. The use of AI generated content that replicates or closely mimics existing works is not allowed.

To remain in the Gift Shop, Artists must: maintain current membership with SASi by paying yearly dues (Jan-Dec), change out work regularly as directed by Gift Shop manager, and volunteer at least 3 hours per month at Southern Arts Society.
